

# GO NUGGETS

FROM THE DENVER NUGGETS BASKETBALL ACADEMY

#### DIRECTIONS:

1. Use markers or pencils to color the box.
2. Cut out carefully along the solid lines and fold along the dotted lines. Glue or tape where marked "X" and make into a box. Press glue or taped edges together well.
3. Tape a piece of ribbon or string inside the box to hang.
4. You can also put a tiny surprise inside the box. The surprise should not be heavy so you are able to hang it.
